

Encomienda Templaria Crianza

Encomienda Templaria is made from 100% Mencia grapes, the Queen of the Bierzo Appellation. Aged for 12 months in French, American and Hungarian oak, the variety achieves an optimum expression of aromas and tannins. Bright cherry red color with violet hues of great intensity. Deep aromas of black and red fruits are complimented by vanilla, chocolate and balsamics. The well structured, full palate has well developed, silky tannins and a long lingering finish. The wine underwent a minimum of chemical and physical treatment. In the mouth it is flavorful and harmonic. Soft tannin and persistent end.

Castro Bergidvm Roble

By cultivating our own vineyards we are able to select the highest quality grapes. This wine is made from 100% Mencia grapes, selected on the vine and aged five months in new French and American oak, to achieve an optimal balance between wood and wine. The bright ruby color with bluish notes shows its youth. The nose is intense and complex with primary aromas of ripe and candied fruits and delightful hints of raisins, toasted coffee and licorice. The palate is powerful but elegant, with a long and rounded finish.
